#### **20.031 - TO RECEIVE THE CITY OF YORK COUNCILLOR'S REPORT – FOR INFORMATION ONLY**

City Cllr. Anne Hook reported that: -

- You are receiving excellent daily reports on what is happening during the pandemic, so there is no need for me to elaborate on that.
- I went for a walk around the village to note which things needed fixing which the council could do whilst maintaining social distancing.
- I reported the patch of road in front of The Fold a year ago and they said it was within tolerances. I will be comparing the photos now and then, because I think it has got worse. There is also a pothole almost level with the sign for Applewood.
- The stretch of footpath between the Chapel and Fieldside House is too narrow because of the overgrown hedge, which needs the projecting weeds and brambles removed at the very least.
- I had to stop a dog walker from stepping backwards into some dog poo, not eight paces from a dog bin.
- I am currently part of a committee working on the recovery, which is focusing on how the highways can be altered to ensure proper social distancing, while ensuring safe queuing for shops and cycling which is being encouraged.
- I have been shown a possible plan for a cycle route to the Rufforth/Knapton cycle path and would welcome comments.

#### **20.032 – TO MAKE DECISIONS ON PARISH COUNCIL LAND**

*(a) Registration of Parish Land - To receive an update*

The Chairman reported that our solicitor is preparing statement of truths/statutory declarations for each parcel of land individually and is being assisted by Roger Hildreth.

(b) *Hessay Pond including the provision of a picnic table, work to the path and the condition of the fence and gate*

The following comments/observations were made: -

- i. The picnic table/bench is now in place. The Chairman thanked Councillor Watson and her husband for their generous donation
- ii. Several of the fence posts need to be replaced
- iii. The gate post of the large gate post needs to be replaced
- iv. The Clerk is to obtain quotations for the above work (**Action Clerk**)
- v. The state of the path was discussed. Cllr Barratt had a costed out the materials needed to repair the path, replacing the stone, weed membrane and retaining boards. Councillor Johnson said that there was the possibility of a grant funding which would cover the cost of materials. It was believed the project could also fall within the ward funding remit. It was agreed to pursue external funding. (**Action Cllr Johnson**)
- vi. The councillors accepted an offer by Mr Elliot to strim the area.
- vii. Bird boxes have been put up

(c) *Willow Garth*

No news on this subject, the area continues to be managed for the benefit of wildlife.

(d) *Allotments*

All three allotments have tenants this year. There are two residents on a waiting list for the allotments.

It is possible that there is some asbestos buried in an unused part of the allotment area. The City Council has been informed and the matter is being dealt with.

(e) *Thief Lane*

No news on this subject.

(f) *Sandpit Field*

No news on this subject.

## 20.033 - PLANNING APPLICATIONS

(a) *To consider the following Planning Application: -*

Details of Planning Applications	Comments
Ref: 20/00606/FUL – Erection of agricultural building for accommodation of livestock at Curlew Fields Farm, New Road.	No objections
Ref: 20/00880/FUL - Change of use from outbuildings to 2no. dwellinghouses (retrospective) at Glebe Farm, Hessay to Moor Bridge	No objections but we feel that the application should have been submitted prior to the application for farm labourers' accommodation. If this is approved, the dwelling will have increased from one to five in a short period of time. We request that the two new dwellings have an agricultural tie.
Ref: 20/00893/FUL - Extension to agricultural building at Curlew Fields Farm, New Road.	No objections

*(b) To note Local Authority Planning Decisions*

It was noted that the Local Planning Authority had approved the following applications: -

- Ref: 20/00102/FUL – Single-storey rear extension and relocation of oil tank to existing garage at 6 Laburnum Close.
- Ref: 20/00606/FUL – Erection of agricultural building for accommodation of livestock at Curlew Fields Farm, New Road.

**20.034 - TO DISCUSS THE PROVISION OF BROADBAND FOR THE VILLAGE**

Councillor Watson referred to a letter she had received from Julian Sturdy MP. It was agreed that another letter be sent to Julian Sturdy and a letter to the appropriate Government Minister.  
**(Action Clerk)**

**20.035 - TO DISCUSS, THE CONDITION OF THE VILLAGE ROADS AND FOOTPATHS.**

- (a) It was noted that two stiles have been mended and the third stile has been removed
- (b) There was a discussion about a cycle route to York. It was reported that some of the local farmers are against the idea of a cycle track being constructed across their land. The preferred route is to create a safe route along Shirbutt Lane and the wide verge of the A59
- (c) Cars parked are being parked indiscriminately in Main Street, often causing an obstruction for local traffic and especially farm vehicles. The issue appears to have been resolved with a residents post on the Community Facebook site.
- (d) Sat Navs problem – Cllr. Barratt had obtained a quote for a sign to deter drivers from following their Sat Nav directions. It was felt that the cost was too great considering the city council may remove the sign. It was agreed instead to ask Cllr Hook for assistance in sourcing a sign via the City Council
- (e) The area outside the entrance to the church on New Road needs to be improved and the kerb opposite to be dropped. City Councillor Anne Hook is to pursue this matter with the City Council

**20.036 - TO RECEIVE A REPORT ON THE OPERATION AND MAINTENANCE OF THE DEFIBRILLATOR**

The defibrillator is now fully operational & registered. Councillor Ramshaw has been checking that the defibrillator is charged & functioning. Other interested parties are prepared to assist.

**20.037 – TO DISCUSS PROGRESS ON THE CREATION OF A NEW PARISH COUNCIL WEBSITE.**

A draft of the proposed website had been sent to Councillors for comment. It was noted that the website could be up and running within a few weeks.

**20.038 – TO RECEIVE A REPORT ON VILLAGE POLICING**

The Clerk reported that there had been no incidents reported to the police during the months of January and February 2020. No reports have been received since February as, no doubt, the lady who compiles the figures has been in lockdown since the middle of March.
